Invitation to attend Town Hall meeting Takeda Pharmaceutical Company Research funding program: COCKPI-T AU

Presenter:

- **Ms Kazuko Nakanishi, Associate Director, Strategic Research Alliance Group**

You are invited to attend to hear about Takeda Pharmaceutical's research funding program. COCKPI-T (CO-Create Knowledge for Pharma Innovation with Takeda) is Takeda's open grant competition program that provides funding for up to AUD \$100,000 for each ~12 month project.

Takeda is seeking novel early stage research that underpins therapeutic strategies in their below areas of interest with intent to financially support projects (up to 12 months) to confirm the research concept:

- Neuroscience
- Gastroenterology
- Immunology (in Neuroscience and Oncology)
- Regenerative medicine.
